## About Osborn Schools

The original Osborn School was one of Arizona's first schools, founded in 1879 to educate a few dozen pioneer children. Through the years the district has changed dramatically. Today approximately 3,800 Preschool—8th grade children attend its six schools located in central Phoenix.

Osborn is truly a multicultural and multilingual district; with more than 40 countries and 31 languages represented on its campuses. A majority of the children come from the U.S., Mexico, and Russia. Many Osborn students qualify for free breakfast and lunch.

Osborn schools are on the cutting edge of education, with computers in every classroom, an outstanding curriculum, teacher collaboration at every grade level, an emphasis on student success, and two Performing Plus and four Performing schools. However, additional funds are needed for extra curricular and character education programs. These activities are critical for the students we serve.

Children are our future leaders. We invite you to join us to help Osborn students become the leaders we need.

*Thank you for your interest and support.*

## Arizona Tuition Tax Credit

How does it sound to get up to \$400 back on your Arizona State Income Tax?

Arizona law now allows married tax payers (parents or non-parents) who are filing jointly to donate up to \$400 (\$200 filing singly) to a public school of their choice and receive a state tax credit.

The school you select will issue a receipt to submit with your tax return. This money is used to support character education and extra curricular programs to enhance education such as:

- Music / Art programs
- Field trips
- Sport activities
- After school educational activities
- Character education
- Ballet (Clarendon & Encanto only)
- Washington DC Trip (OMS only)

Checks for the tax credit must be written and postmarked between January 1 and December 31, 2008.
